

8 May 2007

TO WHOM IT MAY CONCERN

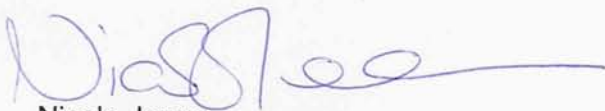

Vic & Kylie Smithers (Codrington Street, Fairfield) have advised us that the 1939 Chev Club will be raising money for The Children's Hospital at Westmead.

Fundraising activities include a hotrod and streetcar show to be held at Moorebank Sports Club, Moorebank on the 16th September 2007.

Money will be raised from entry fees, proceeds from raffles and donations on the day.

Mr & Mrs Smithers have kindly advised us that the proceeds (less expenses) from the event will be divided between The Children's Hospital at Westmead, NRMA Careflight & Miracle Babies. The Hospital's contribution will be used where most needed.

The Hospital is most grateful for this generous offer of support and wishes everyone involved much success.
